Fort St. George, Judicial Consultation, 17th August 1858.

No. 38. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General ;
to the Secretary to Government in the Military Department, Fort Saint George,
dated 5th August 1858, No. 133.

Foreign Department.

SIR,

1. I have the honor to state, that in the Extract Minutes of Consultation, dated 5th October 1852, No. 2363, the Administrator General was directed to refund into the General Treasury all sums administered to by him on account of the Estates of European Pensioners. These sums after being published in the Fort Saint George Gazette were transferred to England as per Statement sent with my letter to Government dated 30th July 1853, No. 212.

2. In the Extract from the Minutes of Consultation, dated 24th December 1855, No. 960, it was decided that since the orders dated 5th October 1852, above referred to, the law has been changed, and that Section V, Regulation IV of 1809, under which the Estates of the Military Pensioners appear to have been made over to the Registrar of the Supreme Court, has been repealed by Section 53, Act 8 of 1855 ; and directions were given that the Estates of Alfred Sellers, and T. McDermot, deceased European Pensioners, be carried to the credit of Government.

Enclosures 3.

3. I beg to enclose three Registers for deposits made in the Treasury of the Collector of South Arcot on account of the Estates of deceased European Pensioners. I request that the same may be published in the Fort Saint George Gazette, with a provision that if the sums are not claimed within six months from the date of Advertisement, the same may be carried to the credit of Government in reference to the orders above alluded to, dated 24th December 1855.

Order.—1.
