Fort St. George, Judicial Consultation, 24th August 1858.

No. 9. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udalut ; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated 14th August 1858, No. 68.

SIR,

1. I am directed by the Judges to solicit the sanction of Government, to an approach being made to the building at present occupied by them as a Court House, from the south-western angle of the compound, for the convenience of all Officers of the Court, Pleaders, and parties having any business therein, whose residences may be situated in that direction.

2. I am also directed to request that wooden shades, or some other protection from the sun and rain, may, with the permission of the Government, be constructed on the eastern and western sides of the House ; there being at present nothing but thin walls and venetian windows, and no verandahs or glass windows, to afford such protection.

3. The Judges also consider that it will be indispensably necessary to put up glass doors on the north side before the monsoon sets in, as without them the long room (adjoining the Court), where the English Writers sit, as well as the Court itself, will not have sufficient light. This work, they think, should be executed with the least practicable delay.

4. It will also be necessary to erect an out-house for the East Indian portion of the Ministerial servants ; and to have a few repairs made to the blinds and mats ; for the execution of which the Judges request that the requisite orders may be passed.

No. 10. ORDER THEREON, No. 1132 ; dated 18th August 1858.

The Government approve of the several additions &c. proposed in the above letter, to be made to the building at present occupied by the Court of Sudder and Foujdaree Udalut ; and direct that orders be issued in the Public Works Department for the immediate execution of the work.

(Signed) T. PYCROFT,
Chief Secretary.
