ORDER THEREON, No. 1187; dated 28th August 1858.

Ordered to be communicated to the Acting Sub Judge of Bellary, who will submit the report called for in the above communication at the expiration of one year.

Chief Secretary.

No. 2952.

Extract from the Minutes of Consultation, 17th August 1858.

Read letter from the Inspector General of Ordnance and Magazines, 21st July 1858, No. 174; to the Secretary to Government, Military Department.

I have the honor to report that the Officer Commanding Ceded Districts recommended that the maintenance of the Roads in the Bellary Cantonment should be confided to the Civil authority, and having requested to know whether the arrangement was approved of by the Collector and Judge, I have received the enclosed letters, assenting to the suggestion, provided the Road Serjeant is attached to the Judge.

2. I recommend Government to sanction the measure as an experiment for one year, to be reported upon at the end of that time by all the authorities.

3. All expenses for Bullocks for the Roads will cease during the time this experiment continues.

4. I beg to state that I am not favorably impressed in favor of the arrangement; but as the Bazar Roads are at present maintained by the Civil authorities, I think it well to extend the measure on trial.

From the Officer Commanding Ceded Districts Bellary, 15th July 1858, No. 133; to the Inspector General of Ordnance and Magazines, Fort Saint George.

In reply to your letter No. 2324 of the 2nd instant, I have the honor to forward the annexed copy of letters from the Collector of Bellary and Subordinate Judge.

From the Collector of Bellary, 12th July 1858, No. 183; to the Officer Commanding Ceded Districts.

In reply to your letter of 8th instant No. 124, forwarding for my consideration the original *papers herewith returned, and requesting to know whether I approve of your suggestion and am willing to undertake the task of repairing the Bellary Roads, I have the honor to inform you that the Prisoners are so entirely under the charge of the Subordinate Criminal Judge, that I deemed it right to send your letter to Mr. Lewin and I have the honor to send you copy of his reply.

From the Acting Subordinate Judge of Bellary, 12th July 1858, No. 277; to the Collector of Bellary.

In reply to your letter of the 9th instant No. 178, I have the honor to inform you that I am willing to undertake the task alluded to, provided the services of the Road Serjeant are placed at my disposal, as the Jailor will be unable to visit the Roads which are at a considerable distance from the Jail.

Referred to the Commander-in-Chief for observations on the proposal to place the Road Serjeant for one year at the disposal of the Judge.

23rd July 1858.

From the Quarter Master General of the Army, Head Quarters Ootacamund, 3rd August 1858, No. 748; to the Secretary to Government, Military Department.

With reference to Resolution of Government of date 23rd ultimo, regarding the placing the Road Serjeant at Bellary for one year at the disposal of the Judge, I am instructed by the Commander-in-Chief to say, that under the arrangements intended His Excellency sees no objection whatever to the measure.

X The Governor in Council authorises the adoption of the measures proposed in the above letter from the Inspector General as an experiment for one year—at the end of which time a report on the Roads will be furnished by all the authorities at Bellary.

2. These papers will be communicated to the Judicial Department in order to necessary instructions being issued in that department for the furnishing of the report.
