Fort St. George, Judicial Consultation, 7th September 1858.

No. 12. Read the following letter from F. LUSHINGTON, Esq., Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, dated 28th August 1858, No. 457.

SIR,

With reference to Extract Minutes of Consultation of 21st August 1858, No. 1151, Judicial Department, authorizing Lieutenant T. E. Tennant to draw his salary as Superintendent of Police, from the date on which he delivered over charge of his office in the Public Works Department, and to draw the travelling allowance from Malabar to Madras; I have the honor to request that, you will have the goodness to inform me whether the other Superintendents of Police, are also to be allowed their salary and travelling allowance as granted to Lieutenant Tennant—i. e. travelling allowance from their former stations and salary—from the date of delivering over charge of their previous office.

No. 13. ORDER THEREON, No. 1213; dated 3rd September 1858.

The other Officers, besides Lieutenant Tennant, that have been appointed Superintendents of Police, are Captain G. Hearn, 49th Regiment N. I., who held the Regimental Staff appointment of Acting Quarter Master, and Lieutenant W. O. Swanston, 7th Regiment N. I., who appears to have been lately at Madras, on leave of absence for two months.

2. Lieutenant Tennant, whose case is quoted by the Civil Auditor in his present reference, was previously in Civil employ, and was called up from Malabar, where he had been employed, to Madras, which may be regarded as the Head Quarters of the Chief Commissioner of Police, having been ordered by Mr. Robinson to join him there as soon as possible. Under these circumstances, he was allowed by the orders of the 21st Ultimo, his bonâ fide travelling expenses from Cannanore to Madras, and authorized to draw his salary as Superintendent of Police from the date on which he delivered over charge of his office in the Public Works Department.

3. Captain Hearn appears to have been differently situated from Lieutenant Tennant. He previously held the Regimental Staff appointment of Acting Quarter Master and proceeded to Madras on seeing his appointment in the official Gazette, but without any special order directing him to join immediately. Captain Hearn will be entitled to the salary of Superintendent of Police from the date of his arrival at Madras, but the Civil Auditor will give his opinion whether according to the rules usually followed in such cases, he would be entitled to draw the pay of his Civil appointment from the date of his giving over charge of his Military one, and whether he might have his bonâ fide travelling expenses paid.

4. As regards Lieutenant Swanston, the Government cannot pass any orders on his case until they learn where and when he received the notification of his appointment as Superintendent of Police, and when he arrived at Madras in pursuance of it.

(Signed) T. PYCROFT,
Chief Secretary.
