Fort St. George, Judicial Consultation, 7th September 1858.

No. 28. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 9th August 1858, No. 318.

SIR,

I have the honor to request that the Government will be pleased to authorize and direct that in all cases in which letters may be addressed to prisoners in Jail, the same may be delivered to the Officer in charge of the Jail in which such prisoner may be confined and not into the hands of such prisoners or of any other person.

2. I have in consequence of a reference from Mangalore, justified the Subordinate Judge in returning a letter so addressed, but I have informed him, that it appears to me, that the proper course in regard to such letters will be, that they be delivered to the Officer in charge with option to him of returning them or of giving the person addressed the option of receiving them after perusal.

3. The privilege of letter receiving and writing at distant intervals, is I observe, granted in English Prisons only, as an indulgence and reward.

No. 29. ORDER THEREON, No. 1222; dated 6th September 1858.

As recommended by the Inspector of Prisons, the Governor in Council directs that in future all letters addressed to prisoners, shall be delivered to the Officer in charge of the Jail in which they are confined, such Officers being invested with discretionary power either to return them to the party from whom they may have been received, or give the prisoner the option of being permitted to receive them if, after perusal, he see no objection to his doing so.

2. This order will not however apply to Civil debtors or Revenue defaulters, who will be allowed to receive their letters unopened.

(Signed) T. PYCROFT,
Chief Secretary.
