Fort St. George, Judicial Consultation, 14th September 1858.

No. 2. Read the following letter from Lieutenant Colonel H. COLBECK, Senior Magistrate of Police; to T. PYCROFT, Esq., Chief Secretary to Government, dated 3rd September 1858, No. 19.

SIR,

I have the honor to observe that by Extract Minutes of Consultation, Judicial Department, No. 1070, under date the 24th August 1857, the Right Honorable the Governor in Council, at the recommendation of the Chief Engineer, approves of the erection of a brick in chunam wall on the eastern and southern sides of the compound of the Royapet Police Court, and directs that the necessary orders be issued through the Public Works Department for its execution. Up to this time, however, no preparation has been made for the building of the wall, and I would venture strongly to recommend its erection with as little delay as possible.

2. The Jail here is built of such dimensions as to admit of a number of persons being placed there in temporary security, as I know it was Mr. Edward Elliot's idea, that in case of any disturbance, or riot, it would be of great service for the confinement of apprehended rioters, and the Triplicane and Meersaibpettah faces being now completely exposed (to the extent of more than 300 yards) I deem it very advisable an enclosure should be effected.

No. 3. ORDER THEREON, No. 1229; dated 8th September 1858.

Referred to the Public Works Department.

(Signed) T. PYCROFT,
Chief Secretary.
