Fort St. George, Judicial Consultation, 14th September 1858.

No. 33. Read the following letter from J. ROHDE, Esq., Inspector of Prisons ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Palamcottah, 4th September 1858.

SIR,

1. In returning the statement called for in your Circular (Official Memorandum,) No. 286, (20th August), I have the honor to state that the time when I may be able to submit my Report, depends entirely on that when I may receive the Medical Reports now ordered to be made up to the 30th April.

2. Strange as it may appear, I have had nearly as much difficulty in adjusting the Jail accounts with the monthly Bills before me as I had in previous years, differences often amounting to several hundred Rupees appearing between the accounts of the year and those for the months included in the year.

3. The practice insisted on by the Civil Auditor of having but one Contingent Bill for Court and Jail may, in part, account for this, but much is certainly owing to carelessness on the part of some of the Officers in charge of Prisons.

No. 34. ORDER THEREON, No. 1248 ; dated 13th September 1858.

Resolved, that a copy of para. 1 of the foregoing communication, be furnished to the Director General, Medical Department, and that he be desired to expedite the despatch of the Report therein referred to.

(Signed) T. PYCROFT,
Chief Secretary.
