1. With reference to the orders contained in Extract Minutes Consultation dated 4th May last, No. 581, I have the honor to state, for the information of Government, that extra servants as per margin, have been provided for the Special Commissioners under Act No. XIV of 1857, in North Canara, and I request that the list may be submitted for the sanction of Government.

2. The servants were entertained in the beginning of May last. I am unable to state at present the probable period for which this establishment will be required, but I trust that it may be discontinued at an early date. The services of two servants as per margin, have already been dispensed with, from the 1st of July last, on which date one of the Commissioners Mr. Robinson, availed himself of leave of absence.

3. As these servants are employed in a distant and remote corner of the District, and are required to move about with the Commissioners, I request that they may be allowed the usual travelling batta drawn by servants of similar rank, when travelling with my office, and trust that Government will sanction the payments made on this account.

No. 8. ORDER THEREON, No. 1255; dated 15th September 1858.

The Government sanction the entertainment of the extra servants referred to in the foregoing communication from May last; and the grant to them of travelling batta on the scale drawn by servants of similar rank when travelling with the Commissioners' office.

(Signed) T. PYCROFT,  
Chief Secretary.
