SIR,

With reference to the orders of Government, dated the 17th January 1845, No. 37, and the Extract from the Minutes of Consultation, of the 11th February 1852, No. 101, in the Judicial Department, I have the honor to forward herewith, for transmission to the Government of India, a Comparative Statement, shewing the strength and cost of the armed Police maintained in the Madras Presidency, for the performance of Civil duties, on the 1st May 1857, and on the 1st May 1858, with an explanation of the causes of increase and decrease observable in the total expenditure on the latter date, as compared with the results of the preceding year, which Statement has been received from the Civil Auditor, and verified in this office.

2. I have annexed a Comparative Abstract to the Statement now submitted, agreeably to the form adverted to in the last para. of the order of Government dated 16th September 1854, No. 669.

No. 10. ORDER THEREON, No. 1256; dated 15th September 1858.

The Government observe that the Guntoor Sibbundies, so called, are not of that description of force to which the Statement submitted with the above letter, was intended to apply. They are merely Peons such as have ordinarily been maintained in the District, but have now augmented and put in a more efficient condition last year in consequence of the unsettled state of the times. They should be excluded from the Statement which will be returned to the Accountant General for the purpose, and should be included in the Return called for from the Civil Auditor by Extract Minutes Consultation 8th Instant, No. 1228.
