Fort St. George, Judicial Consultation, 21st September 1858.

No. 30. Read the following letter from Lieutenant Colonel G. BALFOUR, Inspector General of Ordnance and Magazines; to the Chief Secretary to Government, dated 10th September 1858, No. 291.

SIR,

The Senior Magistrate of Police having referred to me in the matter of a Bill for Rupees (6) six from Mr. Bonjour on account of repairing the Royapet Police Clock, which has been declined sanction by the Civil Auditor, I beg to state for the information of Government, that the reason of Messrs. Orr and Co., who are the Contractors for winding and keeping in repair the Clocks of this Presidency, not having been instructed to attend to the Clock in question is, because Extract Minutes Consultation, No. 109, dated 24th January 1857, was not communicated to me. I would recommend Mr. Bonjour's Bill being sanctioned by Government, as the amount is small, but I shall request Messrs. Orr and Co., to take the Clock in hand in future when it needs repair.

No. 31. ORDER THEREON, No. 1268; dated 16th September 1858.

To be recorded, the Civil Auditor having been authorized to pass the Bill referred to in Extract Minutes Consultation, 11th September 1858, No. 1243.

(Signed) T. PYCROFT,
Chief Secretary.
