Read the following letter from Major E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 16th September 1858, No. 3713.

SIR,

I have the honor to submit for the consideration and orders of Government, the accompanying copies of correspondence received from the District Engineer of Vizagapatam, enclosing 2 estimates amounting in the aggregate to Rupees (252) two hundred and fifty-two, as follows.

	Rs.

1 Estimate for a temporary shed for the Arms of the do. do.	42

2. The works are represented to be necessary, as a Serjeant has, at the recommendation of the Collector, been sanctioned and appointed to the increased strength of Sebundies, and the temporary shed is required for holding the Arms at present deposited in the old Sebundy Barracks Verandah, where, in the wet season, they will be subject to much damage. Under these circumstances I beg to recommend that sanction be given for the erection of the proposed buildings on emergency.

Letter from C. W. READE, Esq., Collector of Vizagapatam; to Lieutenant J. VERTUE, Acting District Engineer of Vizagapatam, Nursipatam, dated 30th June 1858, No. 343.

SIR,

I have the honor to request you will pay to Captain Owen, Assistant Magistrate at Nursipatam, Rupees 35 for erecting a temporary shed for the Arms &c. of the Golgondah Sebundies from the general funds advanced to you every month.

Captain Owen writes that he has spoken to you on the subject, and that being on the spot, you are aware of the necessity of the work.

Letter from Lieutenant J. VERTUE, Acting District Engineer, Vizagapatam; to C. W. READE, Esq., Collector of Vizagapatam, dated Camp Waltair, 10th July 1858, No. 244.

SIR,

While at Nursipatam Captain Owen mentioned to me, that a house is required for the Serjeant of H. M.'s 69th Regiment, appointed to do duty with the Sebundies, and I have just had another communication from Lieutenant Dobree on the same subject. I had made at Nursipatam a rough estimate of the expense of constructing the building, amounting to 202 Rupees. I would wish to know whether you are prepared to sanction such an amount, for, if so, I will immediately give orders for the commencement of the work, and forward you for sanction the detailed estimate.

Letter from C. W. READE, Esq., Collector of Vizagapatam; to Lieutenant J. VERTUE, Acting District Engineer, Vizagapatam, dated 13th July 1858, No. 356.
