No. 60. Read the following letter from P. GRANT, Esq., Acting Magistrate of Malabar; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort St. George, dated Calicut, 17th September 1858, No. 120.

SIR,

The late events at Jeddah, have naturally led me, as Acting Magistrate of this Province, to make enquiries about the Tungul Syud Fuzul, who was deported in 1852, on account of the strong suspicion against him in connection with the Moplah outbreaks.

2. I have every reason to believe, in fact I am pretty certain, that Syud Fuzul is now residing at Mecca, surrounded by Moplahs, and living in a state of affluence. His means of living, it is believed by many, are derived from the Sultan. The truth I think is that they are supplied by his co-religionists and adherents in Malabar, with whom he holds regular and constant communication.

3. Several ships have already arrived from Jeddah, from whence they sailed after the massacre of the Christians, they were loaded with Salt for the Calcutta market, and had on board a considerable number of pilgrims, on whom the Supreme Government should keep a watchful eye. Six or eight only landed in this province, and the only object that some of the ships could have had in touching on the Coast, because they did not break cargo, was to convey to the Moplahs of the province, accounts of their friends in Arabia, and of the transactions that had taken place there. Considering all that has lately taken place on the Arabian Coast, I think it would be well to advise the British authorities in that part of the world, of the Tungul's present place of abode, and to request them to take steps to prevent him leaving any of the Red Sea Ports, without their knowledge.

4. The British Representative at Jeddah may be a new man, so that, as a mere matter of prudence, I venture to recommend this step.

No. 61. To the Political Resident and Commandant at Aden, dated Fort Saint George, 4th October 1858, No. 1373.

SIR,

I am directed by the Governor in Council to forward for your information the accompanying copy of a letter from the Acting Magistrate of Malabar, dated 17th September 1858, No. 120, respecting the Tungul Syud Fuzul, who was deported in 1852, on account of his complicity in the Moplah outbreaks in the province of Malabar; and to request that you will be so good as to afford any information that you may be able to obtain relative to the late proceedings and present place of residence of this individual, and will request the British authorities at the several Ports of the Red Sea to keep a look-out for him and prevent his leaving Arabia.

(Signed) T. PYCROFT,  
*Chief Secretary.*
