Fort St. George, Judicial Consultation, 12th October 1858.

No. 69. Read the following letter from J. W. CHERRY, Esq., Acting Collector of Coimbatore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th September 1858, No. 42.

SIR,

1. The Medical Officers at Ootacamund and Coonoor have brought to my notice through the Joint Magistrate, the necessity which exists for clearing the low jungles within the limits of those stations, for the health and comfort of the inhabitants there.

2. Dr. Mackay states that, "the filth accumulated in different places must be injurious as it is highly offensive," he also adds, that the low jungles should be cut and kept down, as it is impossible to prevent Natives from committing nuisances wherever they can find a cover.

3. I entirely concur in the advisability of clearing the low jungles within the limits of Ootacamund and Coonoor, and accordingly request the sanction of Government for a sum of 200 Rupees to be spent for the purpose, which is the amount estimated for by the Joint Magistrate.

No. 70. ORDER THEREON, No. 1423; dated 12th October 1858.

Under the circumstances represented, Government authorize the Acting Magistrate of Coimbatore, to spend a sum not exceeding Rupees (200) two hundred, in clearing the low jungles within the stations of Ootacamund and Coonoor.

(Signed) T. PYCROFT,
Chief Secretary.
