Fort St. George, Judicial Consultation, 19th October 1858.

No. 3. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 7th October 1858, No. 93.

SIR,

I have the honor by direction of the Judges of the Sudder Udalut to suggest that, in view of the dilapidated condition of the old Court House, and the determination of the Government to have it taken down and rebuilt, the remainder of the Court's Records be removed, and deposited in the *Eastern* wing of Mr. R. T. Lawrance's out-houses, which they have ascertained he is prepared to let for the purpose at a further monthly rent of Rupees 70. At the time my letter of the 19th May was written, it was only contemplated to execute *repairs* to the old Court House; and the Judges therefore considered it unnecessary to move the whole of their Records. As soon as these shall have been secured in Mr. Lawrance's premises, the Judges request authority for making over charge of the old building to the Officers of the Public Works Department. I am directed to add that the Judges have endeavoured to induce Mr. Lawrance to accept a lower consolidated rent for the two wings; but that he has expressed his inability to do so, on account of the expenses he has been obliged to incur, in order to adapt his buildings for the purpose for which the Judges require them.

No. 4. ORDER THEREON, No. 1431; dated 13th October 1858.

The Government authorize the Court of Sudder Udalut to engage the Eastern wing of Mr. R. T. Lawrence's out-houses for the deposit of the Records of the Court at a rent of Rupees (70) seventy per mensem, and to make over charge of the old Court House to the Public Works Department.

It has occurred to Government that the Ameer Baug might be permanently retained as the Sudr Court House, additional accommodation for the establishment being provided in wings to be constructed on either side of the present building. The Governor in Council would wish to be favored with the views of the Judges on this suggestion. In such case the old Court premises which are less centrally situated might be sold, and Government relieved from any further expense on their account.

(Signed) T. PYCROFT,
Chief Secretary.
