Fort St. George, Judicial Consultation, 19th October 1858.

No. 40. Read the following letter from W. FISHER, Esq., Magistrate of Canara; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Mangalore, 28th September 1858, No. 63.

SIR,

I have the honor to submit a list of extra Peons employed in North Canara under the discretionary authority granted by Government in their private Circular, dated 10th July 1857.

* 12th December 1857.

† To Government, dated 25th November 1857, No. 56.

2. Government have already sanctioned* the employment of 50 men referred to in a letter† describing the state of Soopah and the Dharwar country previous to the Sawunth out-break, but I have yet to obtain their orders regarding the entertainment of 26 men in Ankola in September 1857, and on the subsequent increase of the Balaghaut Police to the extent of 54 men during the insurrection in Soopah.

3. In addition to the 50 men for the employment of whom sanction has been already received, the services of eight men have been engaged for various periods, the majority being still in the public service.

4. The 26 men employed in Ankola in September 1857, were discharged on the 15th August last, and twelve men out of 30 raised in that month in Soopah and Yellapoor, were reduced on the 1st January last, on the receipt of the sanction of Government for the employment of a fixed establishment for tappal service in lieu of Peons who had hitherto performed postal duties, 92 men are still employed in the Talooks which have been more or less the scene of the late disturbances and the Acting Joint Magistrate assures me that their services cannot yet be safely dispensed with.

5. Late events in the Balaghât having been duly reported to Government from time to time, further explanation on my part regarding the employment of the Peons in question is perhaps hardly called for, but I can assure the Government that they will be reduced, or altogether discharged, as circumstances admit of my taking either one step or the other.

6. The accompanying Memo. will I trust afford all necessary information; and to enable me to procure the audit of charges already incurred, or still impending on this account, I beg to solicit the early sanction of Government for the employment of the extra force particularized therein.
