*Fort St. George, Judicial Consultation, 19th October 1858.*

No. 46. Extract from the Minutes of Consultation, dated 15th October 1858, No. 1455.

Referring to the opening of a District Moonsiff's Court at Tanjore, on the 1st Proximo, the Governor in Council resolves to confer on the District Moonsiff of that Court, Criminal powers to the extent prescribed in Section I, Act XII of 1854. It was proposed by the Commissioner in his letter of 9th February 1857, para. 12, to confine the limits of the District Moonsiff's Criminal jurisdiction to the territory over which the late Raj had personal control; but the Government see no reason why, as his Civil jurisdiction also embraces a portion of the adjacent Talook of Triviar, his Criminal jurisdiction should not be of the same extent, but on this point he requests that the Foujdaree will consult the Magistrate and act on his opinion. The Governor in Council also resolves under Section VII of the same Act, to suspend the operation of Clauses 2, 3 and 4, Section IV, Regulation IV of 1821, and of Act XXXIII of 1837 in that part of the Combaconum Zillah which may be brought under the jurisdiction of the District Moonsiff of Tanjore.

2. In communicating this order to the Session Judge of Combaconum and Magistrate of Tanjore, the Court of Foujdaree Udalt will issue such subsidiary instructions as they may deem necessary for giving it due effect. The Judges will also submit a Draft Notification for publication in the Fort Saint George Gazette, when they have settled the point adverted to in the preceding para. as to the local limits of the jurisdiction to be conferred.
