Fort St. George, Judicial Consultation, 19th October 1858.

No. 51. Read the following letter from G. A. BALLARD, Esq., Special Commissioner, North Canara; to T. PYCROFT, Esq., Chief Secretary to Government, Madras, dated Tinnei, 4th October 1858, No. 84.

SIR,

I have the honor to submit a letter from the Aid-de-Camp to the Governor General of Goa, in reply to my letter to His Excellency of the 29th Ultimo, No. 81, copy of which was forwarded with my letter to your address of the 30th Ultimo, No. 82.

2. The remarks already submitted, especially in my letters of the 30th Ultimo and 2nd Instant, Nos. 82 and 83 respectively, render further comment on this communication uncalled for, till the receipt of a reply from Colonel Alves, on the subject of the movements proposed.

From D. GEORGE DEMELLO, Aid-de-Camp to the Governor General of Goa; to G. A. BALLARD, Esq., Special Commissioner, North Canara, dated New Goa, 2nd October 1858.

MY DEAR SIR,

His Excellency the Governor General of Goa, charges me to acknowledge the receipt of your letter, No. 81 of 29th September, and in reply to it he charges me to tell you that he can neither approve, nor reprove the arrangements and the movements that you propose, as he is not situated near the scene of the disorders, and that it is only Colonel Alves (to whom a copy of your letter is going to be sent) that can combine with you, and for the future it will be much more advantageous, if you will address yourself to him, regarding movements of troops, for he is entirely authorised to make all the arrangements with the British troops, for the purpose of securing the rebels, and if your Government would also appoint an Officer to command all your troops in the frontier, he might correspond with Colonel Alves, and it would be much better for the service.

The Political Superintendent of Sawant Warree is yet anxious to see, if by the premium offered by the Sawants' heads, Depu Rancee will deliver them, as he is of opinion that by this manner a great deal of annoyance will be saved from your troops.

Colonel Alves, you may depend upon it, will be always very active in the pursuit of the rebels, and he will never lose an opportunity of securing them.

ORDER THEREON, No. 1458; dated 15th October 1858.
