Fort St. George, Judicial Consultation, 19th October 1858.

No. 62. Read the following letter from H. A. BRETT, Esq., Magistrate of Salem; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Oosoor, 4th October 1858, No. 299.

SIR,

I have the honor to request that the Government will be pleased to sanction my employing F. M. Trichelvum, Railway Dresser attached to District No. 6, and resident at Tripatore, to afford Medical aid to the Convicts in the Jail under my charge, on my removing the Convicts, who are at present located at Oosoor, to Tripatore, that they may be employed in the immediate neighbourhood of that important town.

2. The usual establishment for my Jail includes a Native 2nd Dresser, but owing to the demand for Medical subordinates in Bengal, 2nd Dresser Valayadum, No. 144, the last person attached to the Jail was removed in October last, and from that time to the present, the Military authorities have been unable to appoint a successor. I have in the meanwhile employed the 2nd Apothecary attached to my office establishment to afford Medical aid to the Convicts, and the 2nd Apothecary has received for this additional duty head money, under G. O., dated 6th July 1855, at the rate of two annas and six pice for each Convict per diem, but this arrangement is very inconvenient, as the 2nd Apothecary is in consequence unable to accompany the office establishment on circuit.

3. I beg to explain that the present application is made on the strength of a letter addressed by the Adjutant General to the Secretary to Government, Military Department, dated 1st September 1857, No. 1020, in Extract Minutes of Consultation, dated the 1st October 1857, No. 1012, suggesting that pensioned Medical subordinates should be employed when necessary in the place of any Medical subordinate who might be withdrawn for service in Bengal.

4. I believe that the person whom I now wish to employ is duly qualified to perform the duties required. He has never been in the public service, but for sometime he was a pupil in the Medical College. I have also ascertained from the Railway Agent, and from Dr. Sanderson, the Railway Consulting Physician, under whose supervision the Dresser perform his present duties, that they have no objection to his undertaking the proposed additional duty.

5. The sanctioned salary allowed to the Dresser on my Jail establishment is Rupees 24-8, I recommend that Dresser Trichelvum be allowed this sanctioned amount as his salary so long as he may be employed on the required duty.

No. 63.

ORDER THEREON, No. 1469; dated 19th October 1858.
