Fort St. George, Judicial Consultation, 29th October 1858.

No. 35. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to D. F. CARMICHAEL, Esq., Deputy Secretary to Government, Fort Saint George, dated 14th October 1858, No. 153.

SIR,

1. With reference to your letter of the 23rd Ultimo, I have the honor to forward a statement made by an Hurkara of this Department, by which you will find that the original information given by the Lascar was incorrect and that he was robbed in a place called Vanian Choultry attached to the District of North Arcot.

2. The box containing the Cartridges was recovered, and has been forwarded to the Principal Commissary of Ordnance.

The statement of Aroonagherry, a Hurkara of the Madras Police Commissioner's Office.

Upon the statement made by Store Lascar Veerasawmy, No. 1855, attached to the Grand Arsenal of Fort Saint George, I was directed by T. Ramachendra Row the Deputy Commissioner of Police, to proceed to Streeparmettoor in company with the said Lascar, for the purpose of making enquiries regarding the highway robbery said to have been committed by six persons in Mambakum, a village in the Talook of Streeparmettoor. The Lascar stated to me, before I left Madras, that he was way-laid by six persons and robbed of a box which contained 200 Ball Cartridges, the same statement he made also before the Tasildar of Streeparmettoor. Upon this, the Tasildar accompanied us to the spot where the robbery was said to have been committed and every enquiry was made there but in vain, we then returned to Streeparmettoor where I asked the Lascar to speak the truth, he then informed me that he was robbed of the box whilst sleeping in a place called Vanian Choultry in the Zillah of Chittoor but not on the road as he had before stated to the Principal Commissary of Ordnance, to the Deputy Commissioner of Police and myself. I then took him to the above mentioned Vanian Choultry, which is near Cavarypakum, and with the assistance of the Police Peon and a Hoozoor Daloyet, who were sent to my assistance, found out that the theft was committed by two men named Pathoogaun and Coollayum both Talliars stationed at that Choultry, all the Ball Cartridges but 16 were removed from 5 different places where they had been buried and the Talliars who stole them were soon afterwards committed by the Head of the Police to the Sessions Court where they were tried and sentenced to 6 months' imprisonment with hard labor. With regard to a Rupee and a Tunic which the Lascar said had been taken away from him at the same time with the box, I made enquiries and learnt from the very same Lascar that they were not stolen from him and that he has them in his possession.

அறுக்காறு அருவணகிரிநாயக்கர்.

Taken before me, this 14th day of October 1858.

(Signed) T. RAMACHENDRA ROW,
Deputy Commissioner of Police.
