Fort St. George, Judicial Consultation, 29th October 1858.

No. 45. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 7th October 1858, No. 409.

SIR,

Referring to the greatly over-crowded state of the Coimbatore Jail, and to the orders of Government, 7th February 1857, No. 168, p. 7, directing my attention to the establishment of manufactures, I have the honor to report that my proposal, to rent the old Gin-house, adjoining the Jail at Coimbatore, at the very moderate rent of 40 Rupees, has been successful, and I must now beg the sanction of Government to this arrangement.

2. I have already purchased timber for the construction of looms, with the concurrence of the Sessions Judge, and I shall now take an early opportunity of pressing forward the work.

3. I shall, for the present, make arrangements for securing the building for Prison purposes, taking care to have every thing so arranged, that there will be nothing lost in giving up the building.

E. M. C. 8th May 1858, No. 612, p. 4. 4. I have also as you directed, taken steps for enlarging the garden.

5. Every thing requisite for machinery, I shall, with the Sessions Judge's concurrence, provide; the wood-work I shall give directions about immediately, and as soon as my plans are complete, I shall apply to my friends in charge of laboratories, to assist me with castings required.

6. I will, with the sanction of Government, appropriate the small drilling-machine, my bill * No. 727, 4th June 1858. for which has received sanction,* to present use in this Jail.

7. I intend confining the manufactures, in the several Jails, to those branches which are most suitable to the raw-products and demand. Coimbatore for instance, to Cayar mats, carpets and carts for Jail use, the gunny-weaving would be suitable to the Northern Circar Jails. Nothing but want of proper buildings, has prevented my introducing manufactures long since, and I must own, I have grudged spending money on most of the existing Jails, and I was checked in the proposed adaptation of the Chicacole Jail to the purpose.

From Messrs. A. BRICE & Co.; to S. N. WARD, Esq., Session Judge, in charge of Jail, Coimbatore, dated Cochin, 2nd October 1858.

SIR,

We have the honor to thank you for your letter, No. 267, dated Coimbatore, 29th September, and to inform you that we are authorized by the Executor to the Estate of the late David McCulloch, Esq., to let the Gin-house to you at (40) forty Rupees per month, and have to request that you will kindly point out to the Sepoys in charge, a room or two, whatever you deem sufficient to store the machinery, &c., in.

2. We think the rent should commence from the date of your receipt of this communication, and perhaps you will be able conveniently to remit the same to us, when due, by an order on the Treasury here.

No. 46. ORDER THEREON, No. 1504; dated 25th October 1858.

In the above letter, the Inspector of Prisons reports that with the view of introducing manufactures into the Coimbatore Jail, he has engaged the old Gin-house adjoining that Jail on a monthly rent of Rupees 40; and that he will so arrange for securing the building for Jail purposes as that nothing will be lost when it is given up. He proposes, with the concurrence of the Sessions Judge, to provide every thing requisite for Machinery; and requests permission to transfer the small Drilling Machine he obtained from Calcutta to this Jail. The manufactures are to be confined to those branches which are most suitable to raw products and demand.

2. The Governor in Council sanctions in reference to Extract Minutes Consultation 7th February 1857, para. 16, the payment of a monthly rent of Rupees (40) forty for the building above referred to, and the transfer of the Drilling Machine to the Coimbatore Jail. Mr. Rohde will proceed with his arrangements, and report the result to Government, when a fair trial has been given them.

(Signed) T. PYCROFT,
Chief Secretary.
