From. F. I. P. Harris Esq^re
Session Judge of Trichinopoly

To, Major General Budd
Commanding Southern Div^n

Sir. On the eve of my departure after a residence nearly upwards of five years, I am desirous of placing on record the very great obligations I consider myself under for the undeviating courtesy

courtesy and kindness I have always met with, whenever my duties as Session Judge have brought me in communication with yourself, your staff, or any of the Military Authorities.

2. It has been part of my duty, under the order of Government, to give the aid of Convicts in any Military Work, and that duty has always been rendered a task of real pleasure by the ready assistance and hearty Cooperation given me on all occasions by the Military Authorities at Trichinopoly.

3. To your predecessor General Cleveland, to yourself, and to Brigadier Wahab Commanding the Station, my very best and warmest thanks are especially due for the great and unremitting kindness ever shown towards me.

4. With Major De Saussmarez Commanding the 21st Regiment N.I. I have had more than usual communication, consequent on Convicts being so long employed in erecting the new lines of his Regiment, and I have already had the gratification of being thanked by him in terms eminently gratifying to my feelings, and I beg to bring pro[mi]nently to your notice the great obligations I am under to that Officer.

5. To Major Retherdon Commanding the 2nd Extra Regiment and Lieutenant Dyv[e]ly

Dgnity, adjutant of the 1st L C. I am also very greatly indebted for the kind way in which they have always furthered the objet I had in view when giving them the As= =sistance of Convict labour.

6. Should you see no objection, I would solicit that a Copy of this Letter be submitted to His Excellency Lieutenant General Sir P. Grant K. C. B. with a request that he will, if he thinks fit, com= =municate the same to Government.
