No. 2244.

Extract from the Minutes of Consultation under date the 25th October 1858.

Read the following letter from Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer; to the Secretary to Government, dated 18th October 1858, No. 4597.

SIR,

I have the honor to forward copy of a letter* from the Collector of Chingleput, submitting an estimate of Rupees (90) ninety, for constructing a Jail in the East Verandah of the Nayer Talook Cutcherry at Ponnary.

* No. 291, dated 9th October 1858.

2. It is represented by the Collector, that the estimate in question was prepared by the District Engineer at his request, as it was considered absolutely necessary that a Jail should be attached to the Cutcherry to confine Prisoners in, and that great difficulty is experienced for want of the same.

3. The foregoing estimate was examined, and found to be moderate and sufficient, and I beg to recommend the same for the sanction of Government, in view to its entry in the Budget of 1859-60.

Letter from C. SHUBRICK, Esq., Collector of Chingleput; to Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer, dated Sydapet, 9th October 1858, No. 291.

SIR,

Referring to Extract from your Proceedings No. 4266 of the 7th Instant, returning to the District Engineer, for explanation, the estimates framed by him for constructing a Jail in the East Verandah of the Talook Cutcherry at Ponnary, I have the honor to state that the estimates in question were prepared by the above Officer at my request, there being no Jail attached to the above Cutcherry to confine Prisoners in, and great difficulty being experienced for want of the same.
