No. 17. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 14th October 1858, No. 422.

SIR,

Order of Government, 25th September 1858, No. 1319.

I have the honor to forward a letter from Mr. Edward Bird, the Sub-Judge of Ootacamund, proposing a higher rate of pay to the Jailer, whose salary is now fixed at 25 Rupees monthly.

2. I entirely concur in Mr. Bird's views that 25 Rupees is not enough for a European with a family residing at Ootacamund; the expenses of living are in some respects higher than in the plains, but clothing for a family is very much more expensive, besides this, although the Jail is only one attached to a Sub-Court, I know of none in the country which more requires an able and well qualified European Superintendent, from the class of persons over whom he will have charge. My own opinion is that, the salary should be larger than that of Jailers in the Zillah stations and until the new Prison for Europeans is completed, I would name seventy-five Rupees as the salary of the Jailer at this station. Mr. Bird has now secured the services of a respectable and highly efficient officer after numerous failures, and I trust that the Government will be pleased to recommend that a salary of not less than seventy-five Rupees be attached to the office, it being understood that he is not to be in the receipt of any commission on manufactures or other emolument from the Jail.

Extract from a letter of the Subordinate Judge of Ootacamund, (16th September,) reporting the arrival of a European Convict, transferred under Act XXIV of 1855.

Para. 8. The salary of the new Jailer, you are aware, is very small, with reference to the responsible duties now expected of Serjeant Major Warburton, I trust you will be able to sanction better pay for him than 25 Rupees per month, and to assimilate his salary with that received, I believe, by the other Jailers in the Presidency.

(True Extract.)

No. 18. ORDER THEREON, No. 1591; dated 11th November 1858.

Resolved that under the circumstances represented in the above communication, the sanction of the Government of India be requested for raising the pay of the Jailer attached to the Prison at Ootacamund from Rupees 25 to Rupees 75 per mensem; and that the following "Grounds of Proposition" be inserted in the tabular application, to be transmitted to that authority:—

"The present salary, Rupees 25, of the Jailer attached to the Ootacamund Prison, has been represented by the Subordinate Judge in charge of that Jail and the Inspector of Prisons to be insufficient. The expenses of living on the hills, for food, clothing, firing, &c., are higher than in the low country; and moreover an intelligent and resolute European is required for the duty inasmuch as until the general Jail for the confinement of Europeans sentenced to penal servitude is built, the Ootacamund Jail will have to be made available for the purpose. Under these circumstances, the Governor in Council recommends that the salary of this Officer be raised to Rupees (75) seventy-five per mensem, on the understanding that he is not to receive any commission on manufactures or other emolument from the Jail. The sanction of the Government of India is requested to this measure."

That the amount of 25 Rupees now sanctioned is insufficient and has proved so, that the duties of the Jailer at Octacamund are likely to be more responsible than those of any other jailer, until the prison for Europeans sanctioned under Act XXV of 1855 is ready, while his expenses are certainly greater.
