Command are insufficient for the contemplated Service in conjunction with the aid expected from Bombay and Goa. You will ascertain from the Civil Authorities whether the Malabar Police Corps, in whole or in part is available

3. If still further force is indispensable you will make a requisition for what may be required on the Major General Commanding the Ceded Districts who will be instructed to comply promptly with any requisition for Troops which you may consider for the time.

4. If Brigadier General Le Grand Jacob takes the Field as Senior Officer he will of course take Command of the Combined Force and you will place yourself under the orders of the Brigadier General. On the other hand, should you happen to be Senior Officer with the Troops you will assume Command of the Combined Force and direct the Military operations.

5. In Conclusion I am directed to say that it is quite unnecessary that an Officer of your experience and sound judgment should be reminded that it is essential to the public Service that the Authorities Civil and Military should Cordially and heartily Co operate to bring the Enterprize in hand to a speedy and thoroughly successful conclusion

6 You will be good enough promptly to report every occurrence that takes place for the information of the Commander in Chief of the Madras Army.
