No. 78. Read the following letter from J. ROHDE, Esq., Inspector of Prisons ; to W. H. BAYLEY, Esq., Acting Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 4th November 1858, No. 454.

SIR,

I have the honor to state for your information and the consideration of Government, that the accounts I receive of Nundial as a station for a Prison, are very discouraging. Dr. Miller who has lately come from the Kurnool District, regards the town of Nundial as the focus of cholera, the accounts he gave me of the reputed insalubrity of that place and the superior advantages of climate of other positions, are so much in accordance with the remarks of others, that I am induced to beg, that the local Officers may be directed to re-consider the question of a suitable locality for the new station.

2. I hope to be at Kurnool by the 20th of December, and would then confer with the Judge and Collector and other Officers on the subject.

3. I believe you are personally well acquainted with the Kurnool portion of the District, and would beg you, with the sanction of Government, to record your opinion as to a suitable locality.

No. 79. ORDER THEREON, No. 1629; dated 16th November 1858.

The Inspector General of Jails, will as proposed by him, consult with the Judge of Nundial, the Collector of Kurnool and other Officers acquainted with the locality, and submit a further report on the salubrity of Nundial and the site of a Jail for that Zillah.
