SIR,

Having been misled by an incorrect account, when submitting a list of extra servants employed by the Special Commissioner in North Canara, I am now under the necessity of laying before Government a revised list; and have the honor to request that it may be sanctioned in lieu of that passed in Extract Minutes Consultation, dated 15th September 1858.

3. In making my application for the servants noted in the margin, who were at first considered necessary, I was led into stating that the whole of the establishment had been actually employed since the beginning of May, whilst I omitted to notice the fact that a Gomastah on 20 Rupees per mensem, had been employed in Mr. Ballard's office, in lieu of those* reduced in Mr Robinson's, on that gentleman availing himself of leave of absence.

4. The marginal note shews the grades and numbers of servants actually employed in the Commissioners' offices from 1st May to 31st October for which sanction is now solicited.

5. From this it will be observed, that some of the servants at first considered necessary, were never entertained; and secondly that when Mr. Ballard became sole Commissioner, the modification of this establishment caused a slight increase in expenditure, instead of the decrease which would otherwise have resulted from the reduction of Mr. Robinson's extra servants.

6. I greatly regret the errors now pointed out, which could not have occurred, had ordinary care been taken in drawing up the Memo. placed before me. The mistakes in this paper are in fact unaccountable, now that the pay lists have been properly scrutinized, though they escaped the notice of the Sheristedar and the English Department also, when it was prepared.

No. 33. ORDER THEREON, No. 1651; dated 20th November 1858.
