Extract from the Minutes of Consultation under date the 23rd November 1858.

Read the following letter from Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer; to W. H. BAYLEY, Esq., Acting Secretary to Government, dated 13th November 1858, No. 5381.

SIR,

As in reply to an application I made to the Inspector of Prisons for information as to the extent of the accommodation to be provided in the proposed New Jail at Nundial in the Kurnool District, Mr. Rohde has expressed doubts of the suitability of that place, and desired that the Estimates should not be submitted till he had an opportunity of conferring with the local Officers, I have the honor to request that I may be favoured with orders for my guidance, with reference to Extract Minutes Consultation 1003 of the 27th May 1858, calling for these Estimates, and to Extract Minutes Consultation 1801 of the 3rd September 1858, inquiring what progress had been made with them.

1 Copy of letter from Inspector of Prison No. 453 of 4th November 1858.

Letter from J. ROHDE, Esq., Inspector of Prisons; to Captain C. A. ORR, Superintending Engineer, Northern Circle, dated Ootacamund, 4th November 1858, No. 453.

SIR,

With reference to your letter of the 23rd October, I have the honor to state that the accounts I receive of Nundiaul as a suitable station for the Zillah Jail, are so unfavourable that I should wish any further steps towards the erection of the Jail stayed till I have an opportunity of conferring with the District Officers, which I hope to have next month.

2. The Jail should be suited for about 180 Prisoners and be capable of extension.

3 The Plan approved by the Home Government is as you are aware that I proposed for Salem and the Central Prisons, namely, Segments of Circles having a common centre and containing separate cells open to inspection from a central point.

Referred to the Judicial Department with reference to Extract Minutes Consultation in that Department, dated 3rd May 1858, No. 579.
