No. 22. Read the following letter from M. JUGGAH ROW, Principal Sudder Ameen of Cuddalore; to W. H. BAYLEY, Esq., Acting Secretary to Government in the Judicial Department, Fort Saint George, dated 3rd December 1858, No. 462.

SIR,

1. In acknowledging the receipt of the Extract from the Minutes of Consultation in the Judicial Department, under date the 17th August last, No. 1125, forwarding copies of the letter of the Accountant General, with 3 Registers of Deposits made in the Treasuries of the Civil Judge and Sudder Ameen, on account of the Estates of the deceased European Pensioners therein mentioned, and directing to report, whether under the provisions of Clause seventh, Section XVI, Regulation III of 1802, the Advertisements calling on the heirs or other persons, entitled to receive charge of the effects of the deceased, to prefer their claims, were made; or if published, what has been the result of such Advertisements, and if the necessary Advertisements have not yet been issued, to publish them at once, reporting the result for the orders of Government, at the expiration of one year. I have the honor to report for the information of the Right Honorable the Governor in Council, that it appears from the records of the Principal Sudder Ameen's Court, that with the exception of the effects of the deceased Pensioners noted in the margin,* the rest were notified in the Fort Saint George Gazette, and no claims having been preferred to them, the respective amounts specified in the Registers, were forwarded to the Collector's Treasury by this Court, for the purpose of being carried to the account of Government, under the provisions of the above quoted enactment.

* Gunner William Shaw.
Private John Donoghœ.

Gunner William Shaw, Annas 2-6.

2. I beg to state, that the effects of this individual, amounted in the aggregate to Rupees 241-8-9, of which, Rupees 241-6-3 were in several portions, transmitted to the Registrar of the Supreme Court at Madras, under Section XX, Act VII of 1849, and Act II of 1850, for disposal by that Officer, leaving the rest (Annas 2-6) unremitted by mistake; and that the said Registrar having declined to take charge of the amounts of the other estates, subsequently forwarded to him in my predecessor's time, by his letter dated the 20th September 1852, and the heir of the deceased not forthcoming, and the said sum being a trifling one, it was also sent to the Collector's Treasury, to be carried to Government account, without giving an Advertisement.

Private John Donoghœ As. 8.

3. This person, I beg to state, had left the sum of 8 Annas at his death, bequeathing it to his wife Amelia Donoghœ by a Will; but that he did not die intestate as represented in the Register, forwarded by the Collector to the Accountant General, on the 30th August 1856; and that the said Amelia Donoghœ having demised without leaving any heirs behind her, and the above sum being a mere trifle, it was likewise transmitted to the Revenue Treasury, without giving a Notification in the Gazette, to be carried to the account of Government.

4. I further beg to add, that I am not able to tell, the reason of the abovementioned sums being still kept in the Revenue Treasury, although they were transmitted to the Collector, for the purpose of carrying them to public account.
