No. 51. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 18th December 1857, No. 162.

SIR,

I have the honor to submit for the consideration of Government an original letter to my address from the Medical Officer now attached to the Penitentiary. As the Government has decided, that an Apothecary shall reside on the premises, it is of course necessary that a quarter should be provided for his accommodation, I therefore recommend the application now forwarded to the favorable notice of His Lordship in Council.

(Signed) J. C. BOULDERSON,
Commissioner of Police.

To Colonel J. C. BOULDERSON, Principal Commissioner of Police, dated 17th December 1857, No. 69.

SIR,

While the building operations are in progress at the Penitentiary, I am anxious to bring to your notice that no place of residence has been afforded for the Apothecary attached to this establishment. He has hitherto been occupying one half of the Hospital, which arrangement while it necessarily diminishes the size of that building by one half, is neither suitable to, nor intended for him.

The appointment is held by a full Apothecary, the highest grade of the Medical Warrant Officer; and the duties devolving on him are of a responsible nature, and such as require him to be always near at hand. It is therefore, not only most desirable, but also necessary for the effectual performance of his duties as well as for the respectability of his position, that a suitable residence should be provided for him. I would therefore beg leave to suggest that a small Bungalow with the requisite out buildings should be erected either immediately outside the walls, or in such spot inside, as might be deemed most convenient.

(Signed) J. W. MUDGE, M. D.,
Acting Surgeon 1st District.

No. 52. ORDER THEREON, No. 17; dated 6th January 1858.

The Government approve of the erection of a suitable Bungalow with out-houses for the accommodation of the Apothecary attached to the Madras Penitentiary; and direct that a plan and estimates for the building be submitted for their sanction through the prescribed channel in the Public Works Department.

Chief Secretary.
