No. 61. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, dated 10th December 1857, No. 161.

SIR,

With reference to the Extract Minutes of Consultation, under date the 2nd July last, No. 754, Judicial Department, I have the honor to forward herewith, the Tabular application for the Establishment entertained for the conservancy of the general Market in the Black Town, agreeably to the sanction of Government.

(Signed) J. C. BOULDERSON,
Commissioner.

No. 62. From T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George; to the Secretary to the Government of India, dated the 6th January 1858, No. 22.

SIR,

1. As the other Markets within the local limits of the City of Madras yielded a revenue to their proprietors, the Commissioner of Police submitted that the stalls of the general Market in Black Town which is the property of Government should be likewise let, and that the income so derived should be appropriated to the entertainment of an establishment for the conservancy of that building, the surplus being applied to repairs and eventually to the erection of a new Market.

2. The Government approved of this proposal and directed the Commissioner to put up the stalls annually to public competition. The first sale took place in June last, when 138 of the stalls were rented for the aggregate sum of Rupees 523-4 per mensem; and on the recommendation of the Commissioner, the Government authorized the entertainment of the establishment specified in the accompanying tabular application, at a monthly cost of Rupees (103) one hundred and three, subject to the confirmation of the Government of India. I am now directed by His Lordship in Council to request that you will obtain their sanction to this arrangement.

(Signed) T. PYCROFT,
Chief Secretary.
