No. 20. Read the following letter from JOHN JAMES FRANKLIN, Esq., Sheriff of Madras; to THOMAS PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 12th February 1858, No. 12.

SIR,

1. I have the honor to solicit the permission of Government to make a slight alteration in the establishment of Her Majesty's Gaol.

2. At present there are two water Bramins employed on the establishment, whose duties are exceedingly light; while there are six Toties, or Scavengers, who have constant employment. The former are well paid at 6 Rupees 2 Annas a month each, while the remuneration to the latter, at Rupees 3-1-9½ each, is insufficient.

3. I have ascertained that the services of one of the Bramins can be dispensed with without inconvenience, and as the Scavengers have very hard work, I have to solicit that I may discharge one of the former, and increase the pay of the latter to 4 Rupees a month.

4. This arrangement will leave Annas 12 and Pice 9 to be credited to Government; but as the office Sweeper for my Department receives but one Rupee a month, while the wages of persons of this description in Government Offices ranges, it is believed, from 3 to 3½ Rupees, I would beg to be allowed to add the balance to her pay.

5. The following Memo. exhibits the present and proposed arrangements.
