No. 7. Read the following letter from W. ROBINSON, Esq., Acting Magistrate of Malabar; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort St. George, dated Calicut, 8th February 1858, No. 19.

SIR,

Extract Minutes of Consultation of Government, Judicial Department, No. 48, dated 16th January 1858.
Do do No. 161, dated 16th February 1858.

* Plan and description of Boundaries.

With reference to the papers noted in the margin, I have the honor to forward a plan* &c., of the ground taken up for the new Cantonment of the Malabar Police Corps at Malliaporom, which has been carefully selected with a view to cheapness and convenience.

2. The land &c., have been valued at Rupees 1,426-13-11, for which sum I request early sanction, that the Corps may be placed in possession in time to enable them to construct the lines &c., before the monsoon sets in.

3. Further sanction will be applied for for two uncompleted houses, which will make excellent Sergeant's quarters, and for a native house which is likewise capable of being converted into Sergeant's quarters. I have asked the District Engineer to have estimates prepared for these works, which I will incorporate with the valuation and will forward them, so soon as received, for sanction, as I trust the Government will permit these quarters to be constructed at public expense. It is impossible for men of this class to build suitable and healthy houses on 30 Rupees per month, and it is not right that these quarters should be in the hands of natives even if natives could be found at Malliaporom (which is not the case) willing to build them on speculation.

Statement of Jemmem valuations fixed by the Revenue Officers on lands marked out for the Cantonment of the Malabar Police Corps stationed at Mallapuroom in Keelmoory Umshom and Deshom of the Talook of Ernaad.
