Fort St. George, Judicial Consultation, 2nd March 1858.

No. 29. Read the following letter from A. PURVIS, Esq, Magistrate of Rajahmundry; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated Mamedadah, 10th February 1858, No. 44.

SIR,

With reference to the Extracts from the Minutes of Consultation of the dates noted in the margin,* directing the confinement until further orders of the persons named, I have the honor respectfully to submit for the consideration of Government whether they may not now be sent back to their respective places of residence in charge of Peons. I do not see that there is any necessity for their longer detention in confinement. On the apprehension of the party referred to in my letter of the 18th July 1857, the Acting Head Assistant Magistrate thought there were grounds for suspicion that two of them were disbanded Sepoys, but since I have personally examined them, I confess, I see no sufficient grounds for this belief. The man Mohamudally one of those referred to in my letter of the 21st August 1857, and Minutes of Consultation of the 31st Idem, I propose should be detained for the present. Though no result has yet attended the transmission of his descriptive roll to Hyderabad, he is evidently a very suspicious character.
