Fort St. George, Judicial Consultation, 2nd March 1858.

No. 47. Read the following letter from W. KNOX, Esq., Acting Collector and Magistrate and Agent to the Governor of Fort St. George in Ganjam; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated Chetterpore, 13th February 1858, No. 10.

SIR,

I have the honor to request that you will have the goodness to apply to the Right Honorable the Governor in Council for permission for me to deliver over charge of this Agency and District to G. Thornhill, Esq., and proceeding to join at Masulipatam should there be an opportunity of going by sea direct or via Madras. I would not venture to make this application if I did not feel sure that matters would remain as they are quite quiet, and should any thing unforeseen occur, I would not as a matter of course leave my post; but as Mr. Lushington will soon be up here and there are fewer ships expected in consequence of a partial stoppage of trade in rice, it is of great importance to me not to lose a ship, particularly as every week's delay adds greatly to the chances of a long and hot voyage down the bay instead of one of 4 or 5 days as the monsoon is even now changing.

No. 48. ORDER THEREON, No. 273; dated 1st March 1858.

The Government observe that there is at present no (Civil) Assistant in the Ganjam District, the only Civil Officers for the Revenue, Magisterial and Political duties of the Province being the Acting Agent and the Principal Assistant. Under these circumstances Mr. W. Knox cannot be allowed to give over charge of the District until relieved by Mr. Lushington.

Chief Secretary.
