Fort St. George, Judicial Consultation, 12th March 1858.

No. 5. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated 16th February 1858, No. 31.

SIR,

Judicial Department.

No. 1856.

Extract from the Minutes of Consultation under date the 26th November 1857.

Para. 3. The inexpediency of establishing large Jails at any other than considerable Military stations noticed by Mr. Robinson in para. 5 of his letter, is obvious, and should be duly attended to by the Inspector of Prisons.

In reference to the remark of the Government quoted in the margin, I have the honor to request, that you will inform me whether the Government see any objection to the Red Hills as the site of the Chief Central Prison for the Presidency.

No. 6. ORDER THEREON, No. 280; dated 3rd March 1858.

The Government would not object to the location of the Central Prison on the Red Hills provided that space can be found for it without interfering with other public works there, but on this point reference will be made to the Public Works Department.

(Signed) T. PYCROFT,
Chief Secretary.

In his letter of 27 August 1855, the
Inspector of Prisons proposed to have
a Central Prison at a site that would
be near the river - of which the Red Hill
would probably afford a good situation.

The for 2nd MC 27 Sept/55 continued
generally in his views -
The plan of this Central Prison has
lately been in the hands of the 1858 - been in the hands of
the work has proceeded with gradually -

In 2nd MC 26 Nov. the for
however admitted to the expediency of

establishing large jails at any
other than considerable military
stations.

remark

Referring to this in Rhode
Island, whether for see no objection
to the Penitentiary as the site of the Chief
Central Prison for the Presidency - one
of the Chief Prisons he should perhaps
rather have said.

I do not suppose that there would
be any objection to the Penitentiary as the site
- I do not know whether this would
be on any other.

Sincerely and in haste of the

Chf Surgt.

It

The situation is a good one
if there is sufficient protection
that an isolated Central Prison
with an ordinary guard and
most attack of it were an
object at any time to liberate
any of them off.

There is little to be apprehended
from any attempt of the nature referred
to by Mr E - I would have no proposed
copying made
well
