Fort St. George, Judicial Consultation, 12th March 1858.

No. 9. Read the following letter from W. ROBINSON, Esq., Acting Magistrate, Malabar; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated Tiroowangaddy, 17th February 1858, No. 26.

SIR,

I have the honor to submit with strong recommendation to the favorable notice of Government, a letter from the Officer Commanding Malabar Police Corps, Dated 13th Instant, No. 30. begging that the Serjeants of Artillery attached to the Malabar Police Corps, may be allowed Commissariat rations or compensation money.

2. By joining the Police Corps the Artillery Serjeant exchanges pay and allowances equal at least to 40 Rupees and upwards per mensem, for 30 Rupees consolidated Civil pay. Good conduct pay is stopped and prospect of promotion ceases. I therefore consider that they are entitled to Commissariat rations and free quarters. Indeed good men cannot be expected to remain with the Corps, unless this indulgence which I would earnestly request at the hands of Government, be granted.

From Lieut. C. G. BLOMFIELD, Commandant Malabar Police Corps; to W. ROBINSON, Esq., Collector of Malabar, dated Mallaprom, 13th February 1858, No. 30.

SIR,

(To be returned) page 142. In enclosing an Extract from Fort Saint George Gazette, dated 29th January 1858, by which you will perceive that the pay of Serjeants of Artillery with their own Regiments has of late been very considerably increased, and this exclusive of compensation for rations (Rupees 6-5-4) to which or the rations themselves, they are entitled in addition, I have the honor to request that inasmuch as I understand Government to be averse to altering the fixed consolidated pay allowed to Serjeants in the Police Corps, you will kindly recommend to it the propriety of their being allowed to draw rations from the Commissariat Department at this station, which as they are all married men with families, will be a considerable assistance to them.

The Serjeants of Artillery are anxious to remain with the Corps, but it is unreasonable to expect, that men capable of active duty, who, if they returned to their Regiments, would be in the receipt of a salary equal to at least Rupees 40 per month, with free quarters, will remain with the Police Corps with far greater responsibilities, and house rent (at present) to pay for themselves, on a consolidated allowance of Rupees 30.
