Dated 22. 3. ~~19~~ 1888

Not to be folded or roughly handled

Fort St. George, Judicial Consultation, 23rd March 1858.

No. 11. Read the following letter from J. H. GOLDIE, Esq., Subordinate Judge of Chittoor; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Madras, dated 17th March 1858.

SIR,

1. As considerable delay has occurred in executing certain repairs to the Subordinate Court at this station, which I conceive were sanctioned by the Government so long back as the 11th April 1855, and as the want of a strong blind or pandal in front of the Court, and a verandah or pandal round a portion of the Court is much felt, in consequence of the great glare of the sun, I have to request that the orders of Government may be conveyed to the Chief Engineer at the Presidency for the early performance of the above work by the District Engineer of North Arcot.

2. A copy of my letter to the Register of the Sudr Udalut requesting sanction for the required repairs to the Court and also copies of the orders of Government granting the sanction required are herewith forwarded for the information of the Right Honorable the Governor in Council.

3. As I conceive that the erection of the above pandals will not be attended with much expense, I trust with reference to the urgency of the work and notwithstanding the recent orders of Government in regard to the commencement of new works in the present state of the finances of India, that the sanction of the Right Honrable the Governor in Council will be granted for the performance of the work now solicited without delay.

From J. H. GOLDIE, Esq., Subordinate Judge of Chittoor; to F. LUSHINGTON, Esq., Register to the Court of Sudr Udalut, Madras, dated 8th March 1855.

SIR,

A portion of the Subordinate Court House at this station consisting of the Judge's room, the rooms used by the Court servants and the front entrance of the Court having been erected without any verandah to keep off the excessive glare of the sun, has rendered necessary the erection of temporary grass pandals and as these pandals are constantly requiring repair and do not answer the purpose for which they were erected, I have to request that the sanction of Government may be obtained authorizing me to call upon the Civil Engineer of the District to frame an estimate for erecting a verandah in that part of the Court House which is now unprovided with it.

(True Copy.)

(Signed) J. H. GOLDIE,
Subordinate Judge.

No. 12. ORDER THEREON, No. 375; dated 22nd March 1858.

Referred to the Public Works Department.
