Fort St. George, Judicial Consultation, 9th April 1858.

No. 47. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to the Chief Secretary to Government, Fort Saint George, dated 12th March 1858, No. 4.

SIR,

I have the honor to inform you for the information of the Right Honorable the Governor in Council, that finding it utterly impracticable to get the Saddlery of the mounted branch of the Police kept in repair by any other means, I have drawn from the Treasury the amount which has been sanctioned, viz., Rupee 1-12 per Saddle per mensem, and I shall entertain a sufficient establishment to keep up the Saddlery in the same manner in which it is kept up by mounted Corps. Separate pay for a Moochee and Chuckler, authorized by Minutes of Consultation, will accordingly cease to be drawn from the 28th Ultimo.

Materials for the repairs of Saddlery have hitherto been drawn upon Indent from the Commissariat Department and some work has been executed by the Ordnance Department under the authority of the Inspector General of Ordnance and Magazines. May I request that these Departments be authorized to debit those charges to the Judicial Department up to the 28th February last.

Ten Saddles and Bridles complete are required to complete the establishment and are now being made up in the Arsenal. For these I submit Indents, to which I request you will obtain the sanction of Government. Colonel Balfour, C. B., states that he cannot fix the price until the work is completed.

I have further to request you will be good enough to obtain the authority of Government for the execution in the Arsenal of Fort Saint George of such repairs as may be necessary to the Arms and Accoutrements of the Mounted Police. The Principal Commissary of Ordnance having objected to make any further repairs until such authority is obtained.

No. 48. ORDER THEREON, No. 450; dated 8th April 1858.

1. The Government approve the arrangement proposed by the Commissioner for keeping in repair the Saddlery of the mounted branch of the Police force as in mounted Corps, he drawing an allowance of Rs. 1-12 per mensem per Saddle instead of the amount already sanctioned for a Moochee and Chuckler.

2. The cost of the materials for the repairs of the Saddlery hitherto obtained from the Commissariat Department and of the work done by the Ordnance Department up to 28th February last, will as proposed by the Commissioner, be debited to the Judicial Department.

3. Government further sanction the Indent for 10 more Saddles and Bridles submitted by the Commissioner, and authorize the execution in the Arsenal of the necessary repairs of the Arms and Accoutrements of the Mounted Police.

(Signed) H. FORBES,
Acting Secretary to Govt.
