The due dates of the above sales were 16th, 17th and 26th September and 26th December last, or three months from the day of sale. As the delay in realizing the proceeds of said sales involves a positive loss to the Estates in question, we deemed it our duty to ask the Administrator General for an explanation, and were informed by him that he had already called upon his Auctioneers for payment of these sums, and would do so again in a more peremptory manner, and at same time insist on the payment of Interest as well as the Principal. We submit this explanation for the information and orders of Government.

VII. The whole of the payment have been proved to our satisfaction.

VIII. The Administrator General has transferred during the half year to the Sub-Treasurer, assets lapsing to the Honorable Company under Section LI, Act VIII of 1855, on account of 20 Estates, in cash Rs. 492 and under No. 3, Rule III of 8th April 1856, on account of 13 Estates, Rs. 374-9-11 and he has deposited in the Government Savings' Bank in the name of Julia Dickson, a minor, Rs. 201-15-4, to which she is entitled from the Estate of Mrs. P. The eight Bank of Madras shares still in hand belongs to the Estate of Lieutenant F. Corley, but stand in the name of the late Mr. M. McDowell, his Executor. At the death of the latter party the Administrator General took charge of both Estates and finding by the Will of Mr. McDowell that the said shares belonged to Lieut. Corley's Estate, he transferred them to himself as Administrator thereto, but the Bank authorities declined to register the transfer, it being contrary to their rules to recognize Trusts, and the Sub-Treasurer declined to receive the shares in deposit without such transfer being registered at the Bank. We understand that a reference is about to be made to Government on this subject, and would suggest that it be treated as a special case by both the Bank and the Sub-Treasurer.

The Administrator General has invested in Government Securities the funds he has collected on account of the Estates under his charge which were not required for ascertained current de-

mands, when the same have amounted to Rs. 500, or as soon as practicable thereafter. These investments during the half year were as follows:

By purchase on account of 6 Estates, Co.'s Rs....	8,400
By transfer from other Estates and Trusts under his charge, Sicca Rs. 900 and	17,600

The purchases subsequent to the orders of Government dated 10th October 1857, have been made by the Administrator General himself, and at the current rates of the day.

He has realized and duly accounted for the proceeds of Securities transferred on account of 13 Estates Sicca Rupees 900 and Co.'s Rs.....	16,000
and on account of 3 Trusts.....	1,600

He has also delivered up to the party invested on account of W. P. Cleur's Estate... ..	2,000
Sicca Rupees 900, Co.'s Rs.	19,600

X. In terms of the instructions contained in the Honorable Court's Despatch No. 10 of 1852, the Administrator General has deposited in the General Treasury for remittance to England during the half year on account of 13 Estates Rupees 9,635-4-3. The receipts granted to Mr. Francis Clark of the India House by the parties on whose behalf these remittances were made, so far as they have yet come to hand, have been duly produced for our inspection.

XI. The Administrator General has charged commission during the half year as follows:	
On 103 Estates.....	Rs.... 1,913 1 1
On 39 Trusts.....	" 79 3 9
	1,992 4 10

and he has also charged under para. 4 Extract Minutes of Consultation, No. 986, dated 13th September 1856, for copies of accounts and collecting the same.....	434 10 3
Total during the half year	2,426 15 1

We have checked the whole of these charges and found them correct. With reference to para. 6 Extract Minutes of Consultation dated 10th October 1857, we have to report that the refund by Mr. Serle of commission or over investments in certain Estates is still unadjusted.

XII. The Administrator General has had to employ a Proctor to obtain Probates of the Wills of J. Xavier and M. McDowell at an expense of Rupees 183-8, and Rupees 197-4, respectively, for costs.

XIII. We have compared the Schedules of Estates closed, with the Book No. II ordered to be kept by Rule I of 8th April 1852, and found the whole to be correctly stated.

XIV. As directed in para. 3 Extract Minutes of Consultation, dated 10th December 1856, we have certified the correctness of the following lists of small balances under ten Rupees at debit and credit at this date.

A 25 Estates and Trusts balance at credit	Rs.....	86	15	7
B 18 do. do. at debit	"	52	0	11

and recommend that the same be adjusted as usual.

XV. The Administrator General has kept during the half year the whole books required by the Rules of 8th April 1856. We have examined and found them in order. The cash book has been balanced daily and monthly, and we have checked its summation throughout.

XVI. With reference to Section XXXVIII of Act VIII of 1855, we consider that the sum of Rupees 650 should be allowed the Administrator General for the preparation of his Schedules, and the copies thereof, and that the same with the usual small bill for printing and such allowance as the Right Honorable the Governor in Council may be pleased to grant our-

selves, should be apportioned in the usual manner to the Estates and Trusts having assets at credit in excess of ten Rupees, and that the half year's Interest on the sum of Rupees 45,000 deposited in the General Treasury under para. 4, Rule III of 8th April 1856, amounting to Rupees 900, should be applied in terms of para. 2, Rule IX to defray the portion of these charges falling upon Estates with balances of less than Rupees 500, and to reduce those falling to the other Estates.

XVII. We have the pleasure to state that the Administrator General and his establishment have afforded us every facility in their power in the discharge of our duty.

The whole of these Accounts, and every transaction which they include, have been examined by the Auditors and found satisfactory, with the exception that the proceeds of the sale of certain landed and other property belonging to the Estates of Messrs. Xavier and McDowell had not been yet collected. The Government desire that the Administrator General will take immediate steps for realizing these proceeds from the Auctioneers.

3. During the half year under review, the Administrator General is stated to have paid over to the Sub Treasurer the following sums :---

Fort St. George, Judicial Consultation, 13th April 1858.

Rupees 374-9-11 on account of 13 Estates coming under para. 3 No. III of the Rules of 8th April 1856.

Rupees 9,635-4-3 to be remitted to England on account of 13 other Estates. He is also reported to have deposited in the Savings' Bank, on account and in the name of Julia Dickson, a minor, Rupees 201-15-4, to which she is entitled from the Estate of Mrs. P. Riley.

5. The Government learn with displeasure that Mr. Serle has not yet refunded the amount of Commission overcharged by him in the investment of certain Estates referred to in Extract Minutes Consultation 13th January 1855 and 12th September 1856. The Administrator General will be requested to call upon that gentleman peremptorily to make good the money, and at the same time to inform him that Government will not allow the matter to be deferred longer.

6. Referring to the latter part of para. 9 of the Auditors' letter, the Government will await the further reference which the Auditors understand is about to be made to them before passing orders regarding the Bank shares belonging to the Estate of Lieut. 7. List A, submitted by the
Administrator General with his
letter recorded above, exhibits the
small balances standing to the
credit of 25 Estates, and List B,
the sums due to him for inci-
dental expenses he incurred
on account of 18 other estates.

The Auditors recommend that these
accounts be adjusted in the
usual way. The Government
accordingly direct that the sums
at credit belonging to the Estates
specified in List A, amounting
to Rupees 86. 15-7, be paid into
the General Treasury to the credit
of Govt.; and that those at debit
as given in List B, and aggregating

Rupees 52-0-11 be disbursed to the
Administrator General by the
Sub Treasurer. Now this means
it is observed that the Books and
Schedules of the former officer
will be relieved of 43 Estates, and
the net sum to be carried to the
credit of Govt will be Rupees
34-14-8.

8. Agreeably to the recom-
-mendation in para 16 of the
Auditors' letter, the Government
are pleased to allow the Admin-
-istrator General the sum of
Rupees (650) six hundred and
fifty for the preparation of the
schedules and the copies thereof
with the amount of the Bill
for printing the same; and
also Rupees (600) six hundred
to each of the Auditors in com-
-pensation ^{for} of their services, the
whole to be charged to all Estates
and Trusts having assets at
credit in excess of Rupees 10

in the manner proposed by the
auditors, the interest of the money
deposited in the General Treasury
under para 4 No III of the Rules,
amounting to Rs 400, being ap-
propriated in the terms of para
2 Rule IX, to the payment of the
portions of these charges falling
upon estates with balances of
less than Rs 500, and then in
reduction of those falling on other
estates. The Accountant General
will accordingly disburse to
the Administrator General
the interest referred to above.
