No. 231.

Forwarded for sanction to the Home Department of the Government of India.

Chief Secretary to the Government of Fort St. George.

As the services of one of the water Brahmins attached to Her Majesty's Jail could be conveniently dispensed with, the Sheriff of Madras proposed to increase the wages, which were considered insufficient, of the Toties and Sweeper by appropriating the sum so saved to this purpose. Under the authority conveyed in the Resolution of the Government of India, dated 8th February 1856, Financial Department, No. 663, the Right Honorable the Governor in Council sanctioned the proposed arrangement, as it involved no additional charge, and reports the same for the information of the Government of India.
