Port Saint George, Financial Consultation, 3rd August 1852

No. 1. From Major J. SLEEMAN, General Superintendent of Operations for the Suppression of Thuggee &c., to the Secretary to the Government of Madras, Judicial Department, Port Saint George, dated Jubulpore, the 15th July 1852, No. 32.

Sir,

To avoid the serious expense attending the employment of a Commission Agency at each of the Presidencies to cause payments on account of the Government School of Industry at Jubulpore, and the possibility of loss to the Institution from the failure of such Agents, I have the honor to request you will do me the favor to solicit the sanction of the Right Honorable the Governor in Council for the issue of Bills upon the Jubulpore Treasury, in favor of the Government of Madras, to all parties having *bona fide* payments to make to that Institution.

2. The sanction now solicited was granted by the Government, North Western Provinces, in 1851, and has proved of great advantage to the Institution.

3. I beg to enclose copy of a Circular issued by the Accountant General, North Western Provinces, on the subject.

From E. HENLEY, Esq., Officiating Accountant, N. W. P. to All Officers in charge of Revenue Operations in the North Western Provinces, dated Agra, the 16th May 1851, Circular, No. 870.

Government having been pleased to sanction the issue of Bills to all parties upon the Jubulpore Treasury in favor of the Superintendent of the Government School of Industry at that Station, for *bona fide* payments to be made to that Institution, I have to request that you will, on receiving such applications for such Bills, be pleased to comply with them, being careful to indicate in the Bill the Superintendent as the payee thereof, with the purpose for which the Bill has been granted, and to date the date of this letter as your authority for the same. The Bill should of course be issued at 15 days' sight.

No. 2. Order in Council, No. 503, dated 28th July 1852.

Ordered to be referred to the Accountant General, who will state whether there is any objection to a compliance with Major Sleeman's request. If there be none, he will at once issue the necessary instructions, appointing Government of the same for communication to Major Sleeman.
