Fort St. George, Judicial Consultation, 4th May 1858.

No. 19. Extract from the Minutes of Consultation, dated 29th April 1858, No. 558,

Read again Returns from the several Districts of Gang and Highway Robberies for the 4th Quarter of 1857.

• Considering the difficulty that at all times attends the formation of an accurate estimate of the numbers composing a gang or mob of men; that these difficulties must be enhanced when the attempt is made during the excitement of a robbery; and that the unavoidable tendency of the sufferer and of the Police is to exaggerate the number of the gang, the Governor in Council resolves to direct that columns 3, 6 and 8 of the Statement, be henceforth omitted from the Returns.
