No. 1. Read the following letter from C. PELLY, Esq., Magistrate of Bellary; to H. FORBES, Esq., Acting Secretary to Government, Judicial Department, Fort St. George, dated Ramandroog, 21st April 1858, No. 26.

SIR,

I have the honor to report, that the Civil Auditor has written to me under date the 3rd^{*22nd} March last, to say that "as the Extract Minutes Consultation dated 28th* July 1857, "authorising me to employ the extra Peons to strengthen the Police and protect the frontier "along the Toombudra, is not definite as to the period these services are sanctioned, and does not "state the rate of salary they are to get, it is necessary for me to obtain the sanction of Govern- "ment on these points, as he will not feel at liberty to pass the charge beyond 6 months." And accordingly the Civil Auditor has declined to pass my contingent Bill for February last.

Extract Minutes Consultation, 22nd July 1857, No. 865. 2. According to the sanction of 22nd July 1857, there are at present employed 24 Duffadars and 271 Peons, at 3 and 2 Annas respectively, each per diem, and a few more were lately entertained during the festival at Humpee on the Toombudra frontier. But as the number employed varies according to the necessity of the times, I have the honor to request the Government will give special sanction for

45 Duffadars at 3 Annas each per day.

455 Peons at 2 „ do. do.

500 Total number sanctioned before,

and that the sanction may extend until the 31st December 1858; to enable the Civil Auditor to pass my Bills within that amount. The number that will be employed will depend upon the state of the frontier and other circumstances.

Extract Minutes Consultation, 8th February 1858, No. 190. 3. On the 8th of February, another extra Police Force was sanctioned for the southern Talooks, which are now in part employed under the Joint Magistrate, but as no period was fixed for this also, the Civil Auditor will doubtless require the sanction of Government for a fixed period. I have therefore the honor to request, that this Police Force also may be sanctioned until the 31st December next.

4. The sanction now required will therefore shortly be as follows, to enable the Civil Auditor to pass my Bills.

According to the sanction of 22nd July 1857, for the protection of the northern frontier of the District,

45 Duffadars at 3 Annas each per diem.

455 Peons at 2 „ do. do.

According to the sanction of 8th February 1858, for employment in the southern Talooks:

2 Surchasems at 14 Rupees each per mensem.....	Rupees...	28
15 Duffadars at 6 „ do. do.	„ ...	90
150 Peons at 4 „ do. do.	„ ...	600
		<u>718</u>

Both the above sanctions to remain in force until the 31st December 1858.

No. 2. ORDER THEREON, No. 589; dated 5th May 1858.

Under the explanation afforded in the foregoing communication, the Right Honorable the Governor in Council sanctions the continuance of the establishments noted below, until the 31st of December next.
