Had he not (the Government have been informed by their Acting Secretary, Mr. Bayley, Commissioner of Kurnool, shortly after the assumption of the country and when the Kurnool Horse was organized) at the time of our assumption of the province, honestly

not, at the time of our assumption
of the ^{provincial} ~~country~~, honestly submitted
to, and sided with the British
Govt., ^{they} might have had infi-
nite trouble, and many who
then followed his example,

would have become dangerous
characters. He also afforded me
information to the Commissioner
when winding up the Nawab's
financial affairs and kept the
Nawabs
the young ~~Nawabs~~ and those
about them perfectly quiet during
the first year or two of our
British

accession. Myder Khan now
retires in consequence of an
attack of paralysis, which he
had some months ago and

the loss of the use of his limbs
and the impairment of his
intellect. He is upwards of 62
years of age.

3. Ashraff Khan, the
Commander, is also a member of
the ^M Kuttigavrikat or Patan
gentry. He made himself very
useful in organizing the British
and has held his present rank
from the formation of the Corps.
He is now incapacitated by
mental and physical infirmity
for further active service and
is aged 46 years.

4. Both these officers
took service under Govt. at
a time when few were in-
clined to do so, and have
served as long as their health
permitted them.

5. The officiating Agent
+
of Kurnool ~~submits that they~~
were
entitled to a recognition

Capt: Russell by whom
this application has been
prepared, observed in
submitting it that the
Rissaldar & Jearadar

of their services by being placed in the position they were in at the time of our assumption of the country and would have occupied since had they taken a pension and refused to serve, and he recommends that the Messaldar be allowed a monthly pension of Rs 100 and the Samadar of Rs 50, in each case for life only, being the equivalent of what they received in Annual salaries from the former Govt.

6. The Right Honble the Governor in Council doubts whether the grant of a pension to these two officers, however meritorious, could be supported on this principle; for had they when the Khirmool Horse was originally formed, and when they were hale and able bodied, refused to enter the Corps, they

would not have been permitted to fall back on their previous allowances and live in idleness, and would have been deemed unworthy of any consideration at all.

7. The case however of these men, seems to his Lordship in Council to merit indulgence on other grounds mentioned in the preceding para 2 ~~by the Council~~ viz. their long service and good character. I am directed to observe too that on the formation of the Corps in 1841, such of the Muttas of Farrikat as were by age ^{or} infirmity disqualified for serving in it, were admitted to pension, and that it is but reasonable that those men who set a good example, who entered the Khirmool Horse cheerfully, and have served in it long and well, should now that they are worn out in the service, not be in

would
a position than their former asso-
ciates who did not serve, but
should be allowed to revert to the
allowances which they enjoyed
under the former dynasty. The
Right Honourable the Governor in
Council would therefore strongly
support the recommendation
of the Agent that the Rissaldar
Hyder Khan Mundayee should
be granted a ^{monthly} pension of Rs 100,

their present salaries are
R
The Rissaldar — 300
The Jemadar — 150
and Jemadar Ashruff Khan
of Rs 50 for life, and which
considering their advanced age
and infirmities will ^{probably} ~~only~~ be
^{but} enjoyed for a short time. The
pension ~~to be~~ allowed to the
latter, the Agent proposes,
should begin from the date
of the certificate of disqualifi-
cation, and that to the former
from the date of the order of

who joined the Corps
at its formation

For the Staff 2

8. On these two officers being
dismissed they will of course
have to resign the allowances
which they hold in the Kurnool
Horse.

9. I am directed to add
that there are only seven more
of the Mutafarrikal, still
serving in ^{it} ~~the~~ force, and
that their average receipts
during the last 5 years of the
Mussulman rule only
amounted to Rs 280-5-0-
A compliance with
the present application
will not however lead
to many demands of
a similar character.
