No. 56. Read the following Abstract Translation of a Petition from Rajah Narriah Appa Row, Bahadoor, Zemindar of Mustafanuggur and Ellore Circars in Masulipatam.

Complaining of the operation of Act III of 1857, whereby his rights as Zemindar are compromised, and prays recommendation to the Legislative Council, to exempt his lands from its operation, and thus to maintain the terms of the permanent settlement, which included the fines for cattle trespass among the Assets of an Estate. } (Here enter 19th March 1858.)

No. 57. ORDER THEREON, No. 650; dated 17th May 1858.

1. The Government see no reason for withholding the enforcement of Act 3 of 1857, in the Masulipatam District. The Act appears to them a fair and a just one.

2. The Petition will however be referred through the Revenue Department to the Collector of Masulipatam, and he will be directed to inquire carefully, and report whether fines for cattle trespass were, as alleged by the Zemindar, included among the Assets on which his Pescush was fixed, and if so, to what extent. The enquiry will not however delay the enforcement of the Act in the Petitioner's Zemindary as in other parts of the District of Masulipatam.

From Rajah Chaviah Appara Baha-
door the Zamindar of Muslaamgar &
Ellora Circars in Masalipatam now in
Madras.

Complains in general of the operations of the 3^d
Act of 1857. - States that he sustains
great loss of Revenue by directing Magis-
trates to collect the fines imposed upon cattle
which was collected up to this time by revenue
officers; - and that as this act virtually
cancels the rights of Zamindars established
by permanent Settlement; - he thinks
that the Govt intend to alter the very founda-
tion of that permanent settlement between
him and the Company. - Prays for its
being held in

obeyance at present and to send this
petition with the recommendation of this
Gov^t - The Legislative Council of India
asking them to exempt, in accordance to
the said Settlement, the territories under
them from the operations of the said act. -
