Fort St. George, Judicial Consultation, 25th May 1858.

No. 27. Read the following letter from H. A. BRETT, Esq., Magistrate of Salem; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Admon-cottah, 11th May 1858, No. 134.

SIR,

With reference to the Government Notification published in the Fort Saint George Gazette, dated the 10th November 1857, I have the honor to submit for the consideration of the Right
* With enclosure. Honorable the Governor in Council, copy of a letter* from Messrs. Fischer and Co., of Salem, dated the 4th Instant, requesting that they may be allowed to convey their Saltpetre from the villages in this district where it is actually manufactured, to their principal depots at Moganoor and Errode, without a certificate from the officers of Government.

2. Under the explanation given by Messrs. Fischer and Co., I beg to recommend that the arrangement proposed by them may receive the sanction of Government. I also beg to state that, I have allowed Messrs. Fischer and Co. to follow the proposed course as a temporary measure, pending the final orders of the Government.

Salem, 4th May 1858.

To H. A. BRETT, Esq., Collector of Salem.

SIR,

You are aware, we believe, that we manufacture Saltpetre in numerous villages in the Talooks bordering in the Cavary, and that we transmit it at different times as it is refined, to the two great depots of Mooganoor and Errode, and that when a considerable quantity is collected at either place, we despatch it to Madras. As it will be exceedingly troublesome and inconvenient to you to be applied to for a certificate each time that each small quantity is sent from each village to the depots, as it will be to ourselves to make the application, involving as it will, besides loss of time and opportunities, we beg you will permit the Saltpetre to be taken from the places of manufacture to the depots under our Passes, as have been permitted us by the Collector of Madura and Coimbatore, we being responsible, which we hereby bind ourselves to be, for any infringement of the law. The regular certificate will of course be applied for when the Saltpetre is despatched from the depots to Madras.

Enclosed we beg to submit copy of the Pass proposed to be employed by us.
