SIR,

1. We have the honor with reference to Extract from the Minutes of Consultation, No. 417, Judicial Department, dated 29th March last, to state that on our submitting to the Honorable Company's Solicitor the Title Deeds of the house and ground at Washerman's pettah, proposed to be purchased as a site for the new Cattle Pound, that Officer informed us he considered the Title so questionable and defective, that he advised their being taken as for a public purpose under the provisions of Section 128 of Act XIV of 1856, and Act VI of 1857.

2. In accordance with that advice, we now beg to forward a sketch, with specification shewing the extent of ground required, and to request that the necessary orders may be issued for taking the same under the Acts above referred to.
