Fort St. George, Judicial Consultation, 8th June 1858.

No. 47. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udalt; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated 22nd May 1858, No. 38.

SIR,

: Adverting to para. 3 of Extract from the Minutes of Consultation, under date the 30th Ultimo, I am directed by the Judges to state that it was fully their intention, in para. 6 of their report of the 12th Ultimo, to recommend the establishment, in Nellore, of a Court of the same class as that about to be abolished in the Guntoor Zillah.

2. On receipt of the orders of Government under reply, the Judges called upon the Civil Judge of Nellore, copy of whose report is subjoined, to state what accommodation was at present available; and they beg to recommend that the house to which he alludes may be rented for the purpose, at Rupees 20 per mensem.

3. The Judges propose instructing the Civil Judge to address a separate communication to them on the subject of the third para. of his letter.

From F. H. CROZIER, Esq., Civil Judge of Nellore; to C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udalt, Madras, dated 14th May 1858, No. 41.

SIR,

With reference to the note appended to Extract from Minutes of Consultation, under date the 30th Ultimo, calling upon the Civil Judge to report whether a house is still available and at what rent; and if none should be vacant, whether the spare room in the Moofly's Court is sufficiently spacious for a Moonsiff's Court. I have the honor to report for the information of the Court of Sudder Udalt, the room under consideration is only 14 by 18 feet in size and very small for the purpose required, besides which, it has been found necessary to call the immediate attention of the Civil Engineer to the record-room attached to the Principal Sudder Ameen's Court for necessary repair to the roofing, in which case, the room in question will be temporarily required for the Principal Sudder Ameen's records.

2. The house I referred to in my former communication, dated 15th June 1857, on the subject, is at present occupied, but I am informed can be vacated, on a month's notice to the occupant; it is now to be had on a reduced rent of Rupees 20 monthly. The owner of the house will have no objection to dispose of it entirely, at a valuation fixed by the Civil Engineer; but I am of opinion as a *permanency*, a new Court house should be built in the more immediate vicinity of the present Courts.

3. I would further beg to recommend that in case a Moonsiff's Court is sanctioned for Nellore, the Goodoor Court be removed to Naidpetta, which would be more central for that range, excluding the Ravoor talook therefrom. This will entail no additional expense on Government, as I am informed the former Moonsiff's Court is in good order and vacant, and the Court house at Goodoor will probably realize the amount laid out thereon if sold.

No. 48.

ORDER THEREON, No. 739; dated 5th June 1858.

Subject to confirmation by the Government of India, the Right Honorable the Governor in Council authorizes the establishment of a 3rd Class District Moonsiff's Court at Nellore, in the place of the one abolished at Cauza in the Guntoor Zillah. The Court of Sudder Udalt will submit the necessary Notification for publication in the Gazette.

2. His Lordship in Council also sanctions the renting of the House referred to in para. 2 of the above letter, at Rupees (20) twenty per mensem, for the accommodation of this Court.

Chief Secretary.

Fort St. George, Judicial Consultation, 8th June 1858.

Ordered that the following letter be despatched.

No. 49. To the Secretary to the Government of India, dated Fort St. George, 5th June 1858,
No. 740.

SIR,

On the recommendation of the Court of Sudder Udalut, this Government authorized the abolition of the Court of the District Moonsiff of Cauza, and the transfer of the territory under his jurisdiction to that of the Moofly Sudder Ameen of Guntoor, who was at the same time vested with the powers of a District Moonsiff. This measure was adopted in consequence of the Moofly Sudder Ameen having little business to occupy his time, and the state of the files of the District Moonsiffs in the Guntoor Zillah being so low as to render it impracticable to make over to him any of their suits.

2. The Government of India postponed the establishment of an additional District Moonsiff's Court at Nellore, for which sanction was solicited in my letter of 21st August 1857, No. 1056, during the existing financial pressure. As the above arrangement afforded an opportunity for carrying out this proposal without any additional expense to the State, the Right Honorable the Governor in Council authorized the establishment of a 3rd Class Court at that station in the room of the one abolished at Cauza; and I am directed to request the confirmation of the Government of India, of this measure.

3. A Tabular application in the prescribed form is herewith submitted.

(Signed) T. PYCROFT,
Chief Secretary.
