Fort St. George, Judicial Consultation, 8th June 1858.

No. 60. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 2nd June 1858, No. 62.

SIR,

In reply to Extract from Minutes of Consultation, under date 26th May 1858, No. 687,

Madras, 2nd June 1858.

"In accordance with your desire, that I should address you officially on the subject of the removal of the Inmates of the House of Industry to the Monegar Choultry.

I have the honor to call your attention to the very imperfect accommodation at present allotted to them.

The two places assigned for them being much too small, as well as there being no place for the Apothecary and the medicines, beyond a small room of about 8 by 6 feet.

I would therefore venture to suggest, that some larger accommodation be secured which will admit of both the Superintendent and Apothecary being supplied with Quarters immediately adjacent to the Children, which plan might be accomplished by your being allowed to rent one or two small Bungalows in a more suitable part of Madras."

*(Signed) J. SANDERSON,
Garrison Surgeon.*

Judicial Department, I have the honor to report that the Children at the House of Industry were removed, at the urgent request of the Medical Officer of the Penitentiary, in consequence of cholera prevailing within the walls of the building, and as a temporary measure with the consent of the Secretary, I caused them to be conveyed to the Monegar Choultry, where they now are. In respect to their future disposal, I have communicated with Doctor Sanderson, who has Medical charge of the Children on the subject, and in margin I have the honor to give an extract from his letter to my address.

I think his suggestion is a good one, and therefore I respectfully request that I may be permitted, as a temporary measure, to rent a building for their reception, the necessity for doing so is shown by Dr. Sanderson,

No. 61. ORDER THEREON, No. 746; dated 7th June 1858.

Under the circumstances represented, Government authorize the Commissioner of Police, to rent, as a temporary measure, a building for the accommodation of the Children belonging to the House of Industry.
