Fort St. George, Judicial Consultation, 15th June 1858.

No. 15. Read the following letter from W. KNOX, Esq., Magistrate of Masulipatam; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 4th June 1858, No. 184.

SIR,

Para. 1. I have the honor to report for the information of Government, that a gang of about 3 or 400 Rohillas are said to be in the neighbourhood of Cummummett, their destination is not known, but the merchants in Juggiahpetta are much alarmed, and have suggested to their friends here, the probability of an attack being made on this station, for the double purpose of plunder and of releasing the men of their caste now in custody in the Jail. I confess, I have no such apprehensions, the distance is too great from this to the border, and there are no men of mark among the prisoners to make it worth the risk, but every precaution has been taken by the Brigadier, and I have warned the Police to be on the look out. I think Ellore would be the more likely object of attack, both there and at Juggiahpetta the Military are on the alert.

2. I was inclined to believe that this report was got up by the merchants of Juggiahpetta, with a view to secure a second Company being stationed there, but as the news was sent in by an official of high rank, the Sudr Naib, there must be some truth in it. A small body of Irregular Cavalry would be of very great use on the frontier. I would suggest that the Nizam be requested to send a party to Cummummett.

No. 16. ORDER THEREON, No. 765; dated 9th June 1858.

Resolved that the following message be despatched by Electric Telegraph to the Resident at Hyderabad.

"The Magistrate of Masulipatam reports, that a gang of three or four hundred Rohillas are said to be in the neighbourhood of Cummummett. The Madras Government would be glad if a party of Irregular Cavalry could be detached by you for duty on our frontier."

(Signed) T. PYCROFT,
Chief Secretary.
